

Current Topics Of Infectious Diseases In Japan And Asia

[DOWNLOAD HERE](#)

1; Title Page; 2 2; Copyright Page; 3 3; Foreword; 4 4; Preface; 5 5; Table of Contents; 6 6; Part I
Microbiological Aspects; 8 7; Features of Enteric Infections in Asia; 9 7.1; 1 Prevalence of enteric infections
in developing countries in Asia; 10 7.1.1; 1.1 Maluku: an under-developed province; 10 7.1.2; 1.2 Central
Kalimantan: an under-developed province; 11 7.1.3; 1.3 West Sumatra: a reasonably developed
province; 12 7.1.4; 1.4 South Sulawesi: a reasonably developed province; 13 7.1.5; 1.5 Jakarta: a big city; 13
7.2; 2 Transborder issue: trade and labor flow across international borders; 14 7.2.1; 2.1 Spread of cholera
in Sarawak, Malaysia through labor flow; 15 7.2.2; 2.2 Pandemic by the new clone of *V.*
parahaemolyticus; 16 7.3; 3 Contamination of the environment with enteric pathogens; 18 7.3.1; 3.1
stx2-bearing *Escherichia coli* O157 isolated from beef in Malaysia, Thailand, and Japan; 21 7.3.2; 3.2
stx2-bearing *Escherichia coli* O157 isolated from beef in China; 24 7.3.3; 3.3 Possible contribution of
stx2-bearing and *Stx2*-non producing *Escherichia coli* O157; 25 7.4; 4 Children are the major victims; 25
7.5; Acknowledgment; 26 7.6; References; 27 8; Molecular epidemiology of *Vibrio cholerae* and
Campylobacter isolated in Asian countries; 30 8.1; Global spread of cholera; 31 8.2; *Vibrio cholerae* and its
virulence factors; 31 8.3; Molecular epidemiology of *Vibrio cholerae*; 32 8.4; *Campylobacter*; 37
8.5; Detection of *Campylobacter*; 38 8.6; *Campylobacter* in Japan; 41 8.7; *Campylobacter* in China; 42
8.8; *Campylobacter* in Thailand; 44 8.9; Conclusions; 44 8.10; Acknowledgements; 46 8.11; References; 46
9; Diarrheal Diseases and Probiotics; 49 9.1; 1 The present condition of diarrheal diseases in the world; 50
9.2; 2 Causative agents of microorganisms of diarrhea; 51 9.3; 3 Rotavirus infection; 53 9.4; 4 *C. difficile*
infection; 54 9.5; 5 Definition of probiotics; 56 9.6; 6 The gastrointestinal immune system; 57 9.7; 7 Protective
effect of probiotics against Rotavirus; 57 9.8; 8 Protective effect of probiotics against *C. difficile*; 60 9.9; 9
Conclusion; 60 9.10; References; 61 10; Dengue and chikungunya virus infection in Southeast Asia: active
governmental intervention in Republic of Singapore; 63 10.1; 1 Background; 64 10.1.1; 1.1 Singapore:
tropical city-state in Southeast Asia; 65 10.1.2; 1.2 Chikungunya and dengue infectious diseases; 65 10.2; 2
Method; 66 10.3; 3 Result: Singapore's resolute efforts to fight against dengue infection; 66 10.3.1; 3.1.
Establishment and improvement of vector surveillance and control system in 1960s to 1970s; 66

10.3.2;3.2 Emphasis on scientific researches in 1990s and 2000s;69 10.4;4 Analysis: characteristics of recent countermeasures in Singapore;70 10.4.1;4.1. Active organizations and mobilization of resources;70 10.4.2;4.2 Information disclosure;71 10.4.3;4.3 Emphasis on science and technology capabilities;71 10.4.4;4.4 Social management;73 10.4.5;4.5 Application of dengue strategies to CHIKV containment;74 10.5;5. Discussion: Singapore's contribution to transnational approach;75 10.6;Acknowledgements;77 10.7;References;77 11;Part II Epidemiological Aspects;82 12;Current global situation of tuberculosis, with a focus on Japan;83 12.1;1. Infection and disease;83 12.2;2. Global trends: incidence, prevalence, and mortality;84 12.2.1;2.1. Incidence;84 12.2.2;2.2. Prevalence;85 12.2.3;2.3. Mortality;85 12.3;3. Five elements of the WHO case management strategy;85 12.3.1;3.1. Political commitment to a nationwide and permanent TB program;85 12.3.2;3.2. Microscopy to identify cases, predominantly through passive case detection;87 12.3.3;3.3. Directly observed, standardized, free-of-charge, short course chemotherapy;87 12.3.4;3.4. Regular supply of all essential anti-TB drugs;87 12.3.5;3.5. Establishment and maintenance of monitoring of case detection and treatment outcome;87 12.4;4. Diagnosis of TB in developing countries;87 12.5;5. First-line treatment for TB patients;88 12.6;6. Directly Observed Treatment, Short Course (D EAN/ISBN : 9784431538752 Publisher(s): Springer, Berlin, Springer Japan Format: ePub/PDF Author(s): Tanaka, Kazuo - Niki, Yoshihito - Kokaze, Akatsuki
