

From Birth To Sixteen - Helen Cowie

[DOWNLOAD HERE](#)

From Birth to Sixteen outlines children's physical, social, emotional and language development from infancy through to adolescence. In both its practical application of research and its contribution to the assessment of child development, this text provides essential reading for those studying, or indeed practising, child development in the context of nursing, play work, youth work, play therapy, early years education, teaching, social work and occupational therapy. This innovative text is accessible and engaging, with case studies, tables, and references to relevant studies making links to professional practice throughout. Designed to fit with the requirements of the Common Assessment Framework, it presents developmental models for the years from birth to sixteen under each of the following themes: children's rights and responsibilities relationships in the family relationships in day care, at school and with the peer group language and communication children and the media. health issues in childhood and adolescence emotional well-being and resilience A dedicated companion website offers additional teaching and learning resources for students and lecturers, including an interactive timeline, further case studies and extensive self-assessment material. Crucially, the text appreciates the diversity of ways in which children develop, taking into account gender, ethnicity, social background and disability, and values children's resilience in conditions of adversity. From the foundations of the subject through to its application in practice, From Birth to Sixteen provides an indispensable companion to child development courses and beyond.
