Artsy indie resound rock complimented by spacy guitars, vague electronic textures and passionate, searing vocals. 11 MP3 Songs Shake Emo, Shake Goth (shin jin rui) Songs Details: Conceived in a basement in suburban Columbus, OH in the summer of 1993, adam's want is to make emotionally intense and heartfelt music. adam's (shin jin rui)pronounced "shin jin ree" is filled with brooding songs featuring layers of noisy guitars and dreamy synths. Passionate, searing vocals deliver heartache in a pill that is easily swallowed. Great hooks and beautiful harmonies tie the sound together in a way that threatens to redefine pop music as we know it. In pursuit of new sounds, adam has incorporated the use of sequencers and samplers to make a live show unlike any other in their genre. The result has conquered the hearts and minds of fans nationwide. Drawing inspiration from U2, Depeche Mode, the violet burning, Joy Division, Fugazi and Swans, adam has taken its sound on three national tours, appeared on 10 compilations in the past year, and watched their song "Written On The Body" become one of the Top 40 mp3s on RollingStone.com.
