Texas alt-country rock, laced with the americana flavors of banjo, harmonica, and mandolin. Seasoned with a dash of punk rock and served hot off the skillet, this album includes a tasteful blend of slow-dark-country with balls out rock-n-roll. 13 MP3 Songs COUNTRY: Country Rock, BLUES: Texas Style Details: Based out of Austin, Texas, American Graveyard features four members playing an array of instruments that includes banjo, blues harp, mandolin, acoustic and electric guitars, bass guitar and percussion. Genres dont apply, as each of the songs has its own character, often creating a unique and unclassifiable musical style. Since 2004 the band has been gigging around Texas, performing with a wide variety of acts from Blake Shelton to Scott Biram. Well received in all types of venues, from honky tonks to punk rock clubs to festivals, American Graveyard plays high octane live shows full of spit and whiskey, while throwing in slower elements of dark country, and the occasional taste of the weird.
