totally unique pop/rock, urban country, adult alternative with a jazz/blues twist 9 MP3 Songs EASY LISTENING: Soft Rock, ROCK: Modern Rock Details: Since her debut in 1989, Florida musician Brenda David has connected with audiences around the world through her soulful performances and personal lyrics. Now the award-winning singer, songwriter, and guitarist is back on the music scene with a much anticipated sophomore album entitled Better Part of Me on Cadillac Records. The album's eclectic mix of pop, rock, blues and urban country is just what her fans have been waiting for. Guaranteed to be an instant favorite, Better Part of Me includes nine original songs, each with a slightly different flavor, but all with David's unique musical stamp. David wrote the lyrics and music for many of the original songs, collaborating only with co-producer and husband Richard Smith. David's debut album Scratch (1998) was met with rave reviews, winning songwriting honors and topping the charts on European radio stations. She was signed for promotion in Europe, Japan, and Australia by Western Heart Promotions and received radio play worldwide. Two of the album's songs were also featured on the soundtrack of the Canadian film titled First Time Caller.
