Smooth Jazz/Pop Cross-Over. Sexy, Sexy, Sexy 9 MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Lounge Details: Are you ready for some Bliss? . . . This CD premieres the voice and music talent of Catlin Hale. She is a professional songwriter/singer and voice talent performer. Catlin will tease your senses and fulfill your need for Worldly Smooth Jazz and sexy vocals. This CD is definitely night mood music. Raised in the farmlands of South Central Illinois, Catlin's love of music began at home with her mother's extensive collection of opera, classical, jazz and blues music. Throughout her early years she began doing voice work and learned to read and perform music on various instruments including the piano, drums and reed instruments. At the early age of fifteen she began creating and writing her own songs. Since her teen years she has been averaging 12 to 15 original songs a week. Her current portfolio of original works is over 1000 +. Although her performance style is Jazz her collection of original songs cover a wide range of styles in Rock, Country, Blues, Pop, World, and Contemporary music. All recorded songs are now available as singles or a compilation of nine songs which have been released on the new CD 'Times Are A Changing' by Catlin Hale. You can hear Catlin Hale on various internet radio stations and can find her CD in distribution through-out the internet and here on CDBaby. To listen to other song selections or her media commercial voice work visit her website at [catlinhale.com](http://catlinhale.com). On the performance scene, Catlin creates music with a select team of talented musicians. Her band consists of Eric Clancy on keyboard, Michael Patterson on bass, Kent Klee on drums, Rich Cohen on saxophone and David Johnson on lead guitar. Live performances along with recorded studio work allow this group to entertain jazz lovers everywhere. In just the first years of joining the jazz scene Catlin and her band are already receiving broadcast and newsworthy attention. Check out the schedule on her website to see Catlin perform live or view the music selections and CD. Be sure to add this latest and hottest new vocal artist to

your music collection.
