Singer/Songwriter, Acoustic folk / rock with positive messages. 15 MP3 Songs POP: Folky Pop, FOLK: Folk Pop Details: In May of 2002, the song "Things life brings" charted as high as number 60 on the U.S. folk chart on mp3.com. It maintained a number 1 status on the Washington State Folk chart for 13 weeks. "A highly recommended performance. Well written songs, a very smooth professional presentation. Not to mention people love them!" Doug Mays - Promoter owner of Face the Music Productions "An eclectic and unusual combination of catchy beats and unique rhythms. Their original songs are entertaining and the show is first rate, we felt blessed by their collective spirits." Don Buxton - music coordinator of Fircrest school "Chris Eric Cari Ann of Sunday Speedtrap replaced Randy Miller on New year's eve at O'finnegans when his basement flooded. Sitting in for Randy Miller, these guys sounded pretty good. Catch them if you can when they are in your area." Bar scenes entertainment guide for Seattle "A blend of rock and country, flavored with jazz and a toss of folk for good measure. It's almost soothing." The Herald, Snohomish county newspaper "The music is mellow, and they are incredible people. Their sound crosses several types of music including folk, blues, pop and a hint of country. It's a beautiful sound that is pleasing to listen to. A type of music every one of all ages can enjoy." Erick Kayser - Producer
