Sort of a Scottish Taj Mahal meets Don Rickles enroute to a Steve Goodman convention. 17 MP3 Songs  
FOLK: like Joni, POP: Folky Pop Details: Craig Carothers is from the Pacific Northwest, currently residing in Nashville. He sings. He plays the guitar. He writes songs. He's a smart ass. These three things alone put him in a class by himself. Remedial math. Craig has toured or shared the stage with more than a hundred acts including: Karla Bonhoff, Jonatha Brooke, Bruce Cockburn, Donovan, John Hiatt, Leo Kottke, Anne Murray, Michael McDonald, Richard Thompson, and David Wilcox. "Carothers finds the right mix of weary-eyed cynicism and helpless hearted romanticism..."Performing Songwriter Magazine. "He has a voice that should be famous."Patty Larkin. "Who? Never heard of him."John Prine.
