I feel fat, yet beautiful; alert and tired; Adrift, focused, laid-back and wired. So I must be in my center as well, Wise and profound ... and silly as hell. 20 MP3 Songs FOLK: Gentle, BLUES: Rockin' Blues Details: I play a lovely Takamine classical cutaway guitar that was mic'd in the studio. I play a soprano maple Moeck recorder on a couple songs. I have some of my best harmonica work on a few songs. Oh ... and bongos. I play bongos on some tracks. Club owners note: I have my own Bose PAS (Personal Amplification System), and you will love what you hear! Clear! Clean! Relaxed enough to talk with your neighbor, yet lively enough tap your foot! ----- In a touring situation, I'd ask my kids to fill in as band members ... college students ... theater majors. Bow (short for Rainbow) plays percussion/keyboards; SuziQ plays viola/violin/guitar/keyboards.
