Details: Dead Man Biography First, I would like to thank you in advance for reviewing my exclusive C.D. My legal name is Daniel Previlon and my stage name is Dead Man. I am a twenty-eight year old male Hip Hop artist that was born and raised in Miami Florida. My goal is to create and provide the public with music that will be demanded from generation to generation. I am determined to make a difference within the Hip Hop Community! I was raised on the streets of Miami where hustling day to day is mandatory if you want to eat, so my goals and dreams are to take this game straight to top with every song that I drop, and work hard for every penny that I earn! I was fortunate to make it out of the streets and make a positive change in my life, by enrolling into college and graduating from Florida International University with a BA degree in Business Administration and International management. I have the street credibility and the education to compete in this game with those who call themselves Ryders. GOD has blessed me with the talent to write rap music, gospel, R&B, reality music, club, and cross over material. I have performed in a variety of clubs, talent shows, and special events. In addition, I have opened up for a variety of major artists that performed in Miami and I have worked with some of the top producers, singers, hip hop artists, and engineers in my city. Moreover, I have been writing music for a period of fourteen years, so I know as an artist: dedication, determination, motivation, and patience are a virtue. My music will definitely make an impact on the world, because my lyrics come from the heart and my songs is a mixture of poetry and reality. The songs that I create is based on my real life situations that everybody experience, so people from all walks of life will be able to relate to my lyrics. In other words,

your boy keeps it real for the streets! My music definitely has the potential to reach out and touch multiple markets. And my songs have catchy hooks! I am currently in the process of releasing my first double single under PIMP MODE ENTERTAINMENT which is titled Love Fantasy and Hands of God. Love Fantasy will definitely reach out to all the sexy ladies worldwide and Hands of God will make a tremendous impact on the streets. I have posted a sample of three of my songs on my space for your review: 1. Love Fantasy 2. Hands Of God 3.
