Scotland's premier kick-ass country rock band kick it up a notch with second album. Scots playing country music? Have a listen - go on, you know you want to. 16 MP3 Songs COUNTRY: Modern Country, COUNTRY: Country Rock Details: Evangeline's fantastic new album, HARD WAY - released August 2004, features 16 original songs written or co-written by band members. The album contains a wide selection of music from across the ever-broadening country genre, amply demonstrating the band's able musicianship and songcraft. From traditional to contemporary, country rock to country crossover, ballads, honkytonk floorfillers and everything in between, "Hard Way" surely establishes Evangeline as the UK's top original country band. Described by a Warner Bros A&R exec as, "a slice of American life, perfectly written...", this album takes the band to the next level and is a natural follow-up to their 2003 debut, "Beer Talkin'" Scots playing country music? Go on.... have a listen - you know you want to!
