Caribbean Soca Calypso 7 MP3 Songs WORLD: Island Details: Ok, I am Alberto Arrindell aka "Fish The Boss" the newest soca/Calypso and cross-over artist to hit the airwaves. My music is a mixture of many cultures from many islands in the Caribbean's, South America, and as far as Africa. I reside on the island of St. Martin, a mix of French and Dutch. My music captivates the mind, body, and soul to relax and to invigorate. My group, "Badd Intentions" consists of my two brothers; Orlando, on key boards, and Roberto, on bass guitar, and yours truly, on vocals. The group was formed on September 3, 2000. "Smell It" is our first break-out CD, it has a lot of "bad man" lyrics on it. So all you rude boys and girls out there this one is for you. Hope you enjoy it !! Fish The Boss "Badd Intentions"
