Details: Hank Woji stands out from the pack of singer/songwriters by conjuring a sound that is at the same time richly textured and intimate. Woji evokes the best elements of Arlo Guthrie and Cat Stevens. -Rocky Stone - Houston Music News Woji was really good. His voice had much the timbre of Bruce Springsteen's (something about the way he slid around the notes -Alison Cook The Houston Chronicle For over 15 years, as a bassist sideman, and then later as a bandleader, Hank was a driving force in some of the Jersey Shores most dynamic and innovative bands, sharing the stage with such diverse artists as: Bruce Springsteen, Hot Tuna, Jimmy Cliff, The Wailers, Toots the Maytalls, The Radiators, Jon Bon Jovi, Johnny Winter, Room Full of Blues, Johnny Johnson, The Nighthawks, John Hammond Jr, Clarence Clemmons The Red Bank Rockers, Merl Saunders The Rainforest Band and The Smithereens. In March of 2001 He moved from New York City to Houston, TX and began a new phase of his music career Singer/Songwriter. Since then Hanks compositions have garnered him honors in numerous songwriting competitions including: The Kerrville Folk Festival New Folk Competition, The Woody Guthrie Folk Festival Songwriting Contest, The SongDoor International Songwriting Contest, The South Florida Folk Festival Singer-Songwriter Competition, The Suwannee Springfest Songwriting Contest, The Dallas Songwriters Association Songwriting Contest and the Austin Songwriters Group Spring Songwriting Competition. Hanks latest offering is a dark portrait of the lost American Dream, painted in broad strokes on a canvas of pure Americana. Alternating between bluegrass, gospel, country, folk and good old rock roll, American Dreams is a tour de force from a passionate songwriter just hitting his stride. Addressing many of the hot-button issues of our time, American Dreams pulls no punches and

asks no quarter. Graced with stellar performances from some of Houston's finest, each song takes on a life of its own within the context of the singular theme. What is the American Dream and where has it gone?
