In June 2001, Heartdreams song Dancing in the Light climbed to the Top 10 in the New Age category at [Broadjam.com](http://Broadjam.com), the music web site for independent artists. Remember - Heartdreams celestial pop and spiritual rock music is still your best entrainment value! Like many others of his generation, Steve Bangs decided to become a musician after seeing The Beatles on the Ed Sullivan Show. He learned to play the guitar by listening to records and was the lead guitarist and vocalist for Bay Area rock bands

including Creekfrog. Steve's songwriting contributions include chant-like tunes that have been enthusiastically received at new thought churches. Mirabai Bangs has always loved writing poetry and singing. After meeting Steve, they transformed many of her poems into songs. Mirabai has a soaring soprano vocal instrument which was described by an Indian spiritual teacher as a flute voice. Mirabai's free-flowing vocal improvisations are a trademark of Heartdreams' celestial pop sound. Her songs feature vivid imagery and visions of universal love and global unity. John Shinn has been sharing his vocal harmony and 12-string guitar talents with a variety of musical groups since the 70s, turning his focus to spiritually enriching music in the early 90s and performing at a range of venues around the Bay Area. He joined Heartdream after hearing them perform and finding a special resonance with their melodies and lyrics. He has since added several of his original songs to their repertoire. Nathaniel Bangs started playing the drums at age 6 and recently earned his music degree from Sonoma State University, where he studied with renowned jazz drummer George Marsh. Nate also studied tabla at the Ali Akbar College of Music. Although jazz is his first love, Nathaniel also likes to rock, and he provides a solid rhythmic foundation for Heartdreams' music. Blessed with a great sense of humor, Nathaniel adds a lighthearted touch to the musical mix. Dennis Tuohino is a solid and rhythmic bass player with extensive stage experience, having performed at venues all over the San Francisco Bay Area, including Bimbo's 365 Club in San Francisco, the Claremont Hotel in Berkeley, and the Chronicle/Sleep Train Pavilion in Concord. Dennis is also a composer, heavily influenced by legendary jazz bassist Charles Mingus, and studied music at Laney College and the Berkeley Jazz School. David Brooks started his 10 years of classical piano training at age five. In the 60s and 70s he was the keyboard player in the touring rock group "Bodine", which recorded for MGM Records. He was also the fulltime organist for the Unity Center of Walnut Creek for 11 years. David enjoys composing and playing many different piano styles, but he really gets down with his funk- and gospel-tinged spirituals that are always crowd pleasers.
