

Mp3 Imagine Asians - Pop: California Pop

[DOWNLOAD HERE](#)

"Imagine Asians are quite skilled at layering unusual instruments and found sounds on top of welcoming backdrops; as a result their music is at once dreamy and eye-opening." Nashville City Paper 6 MP3 Songs POP: California Pop, POP: Quirky Details: imagine asians' blissful integrity and lush arrangements will bring you back to feelings of child-like innocence. Steel guitars, horns, children's toys, non-traditionally tuned and detuned pianos, banjos, analogue synthesizers and many various instruments colour the otherwise pop sound of imagine asians. Holding the hands of influences ranging from Beachwood Sparks to Gram Parsons and the Byrds to Brian Wilson and the Beach Boys, imagine asians sound nothing short of dreamy and nostalgic, while remaining exciting and original all the while. Their self-titled EP will leave you addicted to music that you may have been waiting your whole life to find.
