Singable pop dance tunes for kids (ages 5 - 10) that are all about ways to have fun - from children's premier entertainers - twins Janet Judy. 10 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Show all album songs: Good Clean Fun Songs Details: Twin sisters Janet Judy were enormously popular childrens entertainers and recording artists in the Los Angeles area. They performed over 8,000 shows in a twenty year span (1976-1996) before retiring from The Road to start families of their own. Their shows and recordings had an educational theme that was executed through catchy original tunes and infectious sibling comedy. Many of Janet Judys former fans are now parents themselves, and have sought out the twins vintage recordings to play for their own children. This demand has brought Janet Judy out of retirement and they are recording again and now their old and new products are available via the internet. Good Clean Fun offers the best of Janet Judy's "pop" style tunes designed for the listener to sing and dance along to songs all about (good!) ways to have fun (for kids ages 5-10). Whether or not you have fond childhood memories of Janet Judys music, you will surely want to add this vintage Cd to your childs playlist!
