

Mp3 Jay Gordon - Rings Around The Sun

[DOWNLOAD HERE](#)

Fret-melting shred-blues guitar work. Furious blues-rock and amped-up guitar solos. 15 MP3 Songs

BLUES: Electric Blues, ROCK: Classic Rock Details: Rings Around The Sun is a compilation of Jay Gordon's finest work. This CD demonstrates his explosive and tasteful artistry as a premier rock-blues guitarist. His musicianship along with his soulful vocals place him in a class by himself. Strat-slinger Jay Gordon's self-produced CD is strictly for lovers of in-your-face guitar playing, something he is really good at. its more a wall of sound approach than one with varied dynamics, and the Hendrix/SRV licks around on all 17 cuts. - (blue access) Whoo-ee baby, grab the fire extinguishers. rings around the sun (blue ace 30005) a compilation by LA player Jay Gordon is loaded with fret-melting shred-blues guitar work. Mustang Sally is brutal. Rings Around The Sun is designed to blow your ears flat against your head. A greatest hits collection with bonus and "hidden" tracks, this is packed with furious blues-rock and the kind of amped-up guitar solos that can leave audiences limp from pleasure. Jay Gordon is a master of the genre. - (rock city news.)
