

Mp3 Josephine Cameron - American Songs Vol. 2

[DOWNLOAD HERE](#)

Following up on the success of her first "American Songs" album, Josephine brings her expressive style and clear voice to 9 more traditional American folk songs. 9 MP3 Songs FOLK: Traditional Folk, KIDS/FAMILY: Kid Friendly Show all album songs: American Songs vol. 2 Songs Details: American Songs (volume 2) builds on Josephine's growing catalog of traditional American folk music. Exploring themes of travel, this collection includes songs of escape like "Gum Tree Canoe" from the early 1800's, songs of searching like Stephen Foster's famous "Oh Susanna," and songs of spiritual pilgrimage and hope like "Unclouded Day" and "Goin' Home," from Dvorak's New World Symphony. Josephine Cameron plays original and well known songs that straddle the line between pop and folk idioms. Cameron's lyrical voice and style has been compared to Alison Krauss, Emmylou Harris, and The Bangles' Susanna Hoffs. Recipient of: - FOSTEX Artist of the Month Award - Garageband Reviewers Choice Award: Best Female Vocals - Garageband Track of the Day Award
