Intelligent, thoughtful songwriting with a sound reminiscent of Sarah McLachlan and Sara Groves 12 MP3 Songs POP: Today's Top 40, ROCK: Emo Details: Kelly Riley is a singer/songwriter based in Sydney. Here Is Me is Kelly's debut record release on What It Is Records. It was released in 2004. The album displays an intelligent, thoughtful songwriter/singer who is refining her songwriting gifts. The sound is at times reminiscent of Sarah McLachlan and Sara Groves. In Kelly's words: "This album is the product of my journey thus far. It is about being honest with God and surrendering what is broken. Many of these songs were born out of the ashes of difficult situations; others are simply observations of God's provision, healing and goodness."
