Mp3 Kevin Lux - Would You Stand In Line For This?

[DOWNLOAD HERE](#)

An original style of intelligent electronic high technology robotic dance, with hints of trance and techno moments all wrapped around within a positive melodic upbeat edge. 11 MP3 Songs ELECTRONIC: Dance, ELECTRONIC: Techno Details: I strive to bring some class and respect back to modern day electronic music. Computers were only used in the creation of this album for the actual recording/mastering of the audio. All sounds for this, the 12th album, were generated from stand alone hardware in the Pulse Studio.
