

# Mp3 Marcia Guderian - No Parking Any Time

[DOWNLOAD HERE](#)

"This album is thoroughly delightful, imaginative and ear-catching. It has the fresh feeling of a creative, sometimes off-beat perspective on life and the world...great back-up musicians..... .great songs with meaning and charm" - Ma 15 MP3 Songs FOLK: Folk Pop, EASY LISTENING: Soft Rock Details:

"Ranging from tender to fiesty, passionate to humorous, "Marcia's unique songs paint images for the intelligent music lover.....Her musical style spans Swing through Contemporary Folk. Marcia's expressive voice is backed up by guitar, bass and percussion, with violin, sax, autoharp, piano and drums by top area artists. a stimulating and provocative collection.. ..rich in powerful images set in elegant music..." -

Bruce Boyle, Talk Of The Town "This album is thoroughly delightful, imaginative and ear-catching. It has the fresh feeling of a creative, sometimes off-beat perspective on life and the world...great back-up musicians....Great songs with meaning and charm" - Maureen Jackson, Victory Music Review This first CD was originally recorded by the "Audiophile Wizard of Bellingham", strictly without the use of equalization or compression. Dirty Linen Magazine categorized this CD generally as "Folk-Jazz". The following lists might help to find the tracks that might fit more specialized formats and tastes: Folk (no drums): 1.
