[DOWNLOAD HERE](#)

Explosive, passionate, soulful, intense, gorgeous, hyper-percussive, mind-bending, emotionally charged symphonic six- and twelve-string solo acoustic instrumental guitar music. 9 MP3 Songs in this album (52:38) ! Related styles: FOLK: Power-folk, JAZZ: World Fusion People who are interested in Pat Metheny Willy Porter Tim Reynolds should consider this download. Details: He may not be a household name, but Michael Gulezian (gu-LAY-ze-in) is one of the finest solo acoustic instrumental guitarists of our time. With his LANGUAGE OF THE FLAME release, Michael delivers a work of transcendent originality and stunning emotional depth. A phenomenal technical guitarist with a long history of critical acclaim, Michael Gulezian once again raises the aesthetic of contemporary acoustic solo guitar to a new level. Over the course of the nine songs on LANGUAGE OF THE FLAME, Michael expresses the full range of human emotion, from implacable grief to ecstatic joy. Jazziz Magazine publisher Michael Fagien describes LANGUAGE OF THE FLAME as "unbelievable ... incredible ... music from another planet." Grammy award winning producer Richard Adler writes, "Michael Gulezian composes, arranges, and performs some of the most complex and emotional music ever written for solo acoustic guitar." Music Web Express raves, "With the release of LANGUAGE OF THE FLAME, Gulezian takes his place among the great acoustic guitar innovators of the 20th Century." And in Acoustic Guitar Magazine, John Diliberto sums it all up: "Fingerstyle fire ... Michael Gulezian reignites his muse with Language of the Flame. ... for all his virtuosic ferocity, [he] never loses sight of the melody, or the drama of his compositions. And he can still play sweetly. At this stage in his career, Gulezian doesn't need to prove he can play, he just needs more people to hear his expansive and original sound." And that's exactly what is happening the CD immediately charted nationally at radio, concert venues have grown larger, and Michael quickly found himself performing live to an audience of millions on three nationally syndicated NPR radio shows: West

Coast Live, Echoes, and World Caf. One generation removed from the musical arabesques of his Armenian heritage, infused with the raw emotional power of the Mississippi Delta trailblazers, fiercely devoted to his art, and blessed with technical proficiency in the extreme, Michael Gulezian remains a seminal force on the cutting edge of the American solo acoustic guitar tradition.
