He is a singer/songwriter with over 100 published songs to his name. Publishers of his music include Abingdon Press, Shawnee Press, and Warner Brothers. His music may best be classified as smart-funny. How many songwriters would have chickens cluck Vivaldi's Four Seasons? or fuse driving rock with iambic pentameter? or have a penguin and a flamingo fall in love? Well Mister Mark does, stopping at nothing to make kids laugh, love music, and maybe even learn a little something. Mister Mark lives in Fort Worth, Texas with his lovely wife Nina, and his two beautiful girls Emma and Grace.
