

Mp3 Nathan Duprey - Leisure Time

A quirky blend of lo-fi drum beats, lush string arrangements and lyrically driven piano ballads. 5 MP3 Songs POP: Piano, POP: with Electronic Production Details: Leisure Time is a collection of 5 songs recorded in Nathan Duprey's apartment in New York over a 6-month period...Self-produced, engineered, mixed. Altercations with the law, go-go dancing, and a circusy waltz make the characteristically quiet, somber brooding seem like an adventure. "I once stole a bottle from a grocery store/ And then I got down to the bottom so I went back for more/ Then the owner called the cops/ Something in me loves the chase / Something in me loves to get caught." Ultimately, it is redemptive as he offers "I Love the Damage," the opening track that chugs with lo-fi beats, layered vocal harmonies and a hint of the 80's. "His voice inspires hope and romance." - Stephanie Joudrey, Indie-Music.com
