The songs in "Noise is for Everyone" are made up of a combination of acoustic, digital, chip and cheap instruments, all talking to each other about nothing serious. It's all about the flow, the collaboration of noise and all types of sounds are invited 14 MP3 Songs in this album (40:11) ! Related styles:

ELECTRONIC: Minimal Techno, ELECTRONIC: Experimental People who are interested in Mr. Scruff Bonobo Four Tet should consider this download. Details: Noise is for Everyone came about from the necessity of Hector Urtubia (aka Next Door Ninja) to independently explore different sound outlets and to experiment with beats, samples, and different noise making toys. As a bass player he has collaborated with different local music projects in his town, all with different styles and influences. All these influences are used to create the variety of sounds on this album. This collection of songs can probably be best described as a "Basement Laptronica" record. Among some of the influences that can be recognized, one can hear a little Squarepusher, Four Tet, Justice and The Album Leaf.
