

Mp3 Rechelle Malin - Famous Girl Detective

[DOWNLOAD HERE](#)

Pretty darn folksy with bluegrass and traditional country overtones finished with in your face girl sass. Think Loretta Lynn 10 MP3 Songs COUNTRY: Traditional Country, COUNTRY: Bluegrass Details: "Idiosyncratic concept of songwriting...explores unusual melodic and rhythmic possibilities which make her songs sound anything but run of the mill. 'Rays Cafe tells of the enduring charm of a mom and pop. 'Whatever Happened to Nancy Drew' is charming. 'Martin County' is a perceptive chronicle of emigres from played out coal mines. A modest yet very ingratiating album." Michael Tearson, Sing Out. "A gifted lyricist who is able to reveal her characters essence and to meticulously recreate settings...Malin's full length folksy debut makes for another satisfying discovery." Andrew Miller, Kansas City Pitchweekly
