You will find that this CD is a wonderful mixture of percussive music for dance and movement. The rhythms range from fast and furious to slow and sultry to suit your every mood. 9 MP3 Songs WORLD: World Fusion, WORLD: Island Details: This CD is a collaboration between Roderick Jackson and Marty Beller. Originally created to be used in conjunction with Bill Hastings instructional video of modern and jazz dance technique, Breathe has taken on a life of its own due to its versatility. It can be used for many dance forms (tap, modern, jazz, ethnic) as well as pure listening pleasure. Instructors throughout the United States, Europe, Japan and South America have used selections from this CD in their dance classes. Breathe has also been used to teach the practical applications of math, as a form of meditation enhancement, and in stress relief seminars. Fosse co-conceiver and co-choreographer Chet Walker has used selections from Breathe in "Seduction," a work performed by his Eight and Ah One Dance Company. The Argentine Ballet also commissioned several tracks for use in future works.
