Original Jewish Rock music with catchy melodies... These songs are upbeat, happy, and very fun to sing along with. 11 MP3 Songs WORLD: Judaica, ROCK: 80's Rock Details: Finally! The long awaited 2nd CD by Scott Leader. This album features 11 new songs that will have you blasting Jewish music in your car... Oh yes! Special guests on the CD include, Sababa! (Robbi Sherwin, Steve Brodsky and Scott Leader's new group.) Rabbi Lisa Tzur, Matt O'Desky, Danny Levin, Herb Belofsky of the Rain Ravens, and Jeff Friedl, Joel Gottschalk, and the man, Paul Anderson... Scott Leaders melodic approach and technical expertise have enabled him to produce music which is quickly becoming a part of the growing tradition of modern Jewish music. Scotts debut CD, Lift My Eyes, has received excellent reviews and had sold over 2000 copies in 2 years. During the time since the CDs release, Scott has performed concerts and led musical services at synagogues, JCCs, and summer camps across North America building a loyal fan following due to his fun, energetic, and family-friendly performances. Scotts Jewish musicianship and song leading gifts surfaced in high school as he was growing up in New Jersey. His popularity within the Reform Movements summer camps and youth groups evolved into a serious pursuit of his talents as he began college. While studying at the University of Arizona, Scott, along with friend and music partner, Billy Tiep, began to compose their own Jewish and secular music. Together with fellow composer, Robbi Sherwin, Scott and Billy began to travel and perform for Jewish communities all over the country. Since graduating in 1998, Scott has served as a teacher at the Austin Jewish Community Day School (Austin, TX), the director of Camp Isaiah (Los Angeles, CA), and as a cantorial soloist at Temple Sinai (Denver, CO). Scotts piano and guitar playing stands out as a presence on Robbi Sherwins two albums, Todah Lcehm, and, Aish HaKodesh. In addition, Scott has been featured on albums and in live performances with Sam Glaser, Craig Taubman, Yom Hadash, Mah Tovv, Noah Budin, Larry Karol and others. Scott

currently lives in Phoenix, Arizona, where he is producing music from his home studio.
