This convergence of different cultures, races, ages, and musical backgrounds has birthed a sound that is setting trends and defying boundaries worldwide. About da disc... Bring Us the Bright is Snarky Puppy's most ambitious, eclectic, and hard-hitting release to date. It features 8 tracks from 5 different composers and a slew of guest artists including violin prodigy Zach Brock, "Lefthand" Kevin Williams, Bobby Sparks, William Barnes, Shaun Martin, and particularly highlights the talents of SP members Bernard Wright and Robert "Sput" Searight. From klezmer to hip hop to Brazilian funk, this is by far the best representation of Snarky Puppy's live energy and spontaneity.
