Rock and Roll 11 MP3 Songs POP: California Pop, ROCK: Modern Rock Details: Steven Bates was born in California. Falling in love with Rock and Roll at an early age led to the desire to play guitar which led to writing songs and performing everywhere from California to Texas to the streets of Amsterdam. Knowing that the song is the currency he has found inspiration from Dylan to Zevon to Lennon, Morrison and too many more list. Recognizing that indeed Rock and Roll shines a broad light on our culture here on Earth, he has played and written and recorded since he was thirteen years old. And as the song says, "This rock is rollin' and I ain't stoppin' spit-shine your mind and get this place a-hoppin'" Please listen and enjoy.
