The Eddies sing songs of work, love death. They are best described as "The one-of-a-kind great singers of shanties and other upscale songs of life." 16 MP3 Songs in this album (44:20) ! Related styles: FOLK: Sea Shanties, FOLK: Drinking Songs Details: The Eddies used to be a book club. Then we became a singing group. We live on Saint Pauls famous West Side, on the banks of the Mississippi River. Eddies are whirlpools or currents that are contrary to the mainstream ... that's us! Five male voices, often acapella, sometimes with instrumental backup: acoustic guitar, occasional accordion, a little mandola. We choose music that is well enough known that we actually remembered it and/or learned it because we like it and thought we could make it sound good with 5 voices singing it. We almost always "eddi-fy" our songs. We can't help it. The Eddies are always fun. We have appeared at the Two Harbors Folk Festival, MBOTMA Summer Festival, Minnesota Folk Festival, Minnesota Irish Fair, St. Pauls Capital New Year Celebration, St. Patricks Day at Landmark Center, Big Deal Fundraisers, Art Exhibit Openings, Community Events, Bars, Festivals, 50th Birthday Parties, etc. The Eddies are Tom Welna (vocals), Mark Richardson (vocals), Phil Platt (vocals and mandola), Paul Martin (vocals and guitar) and Chuck Lentz (vocals and accordion).
