

## Mp3 Thirty3rd - Electric Plantlife

[DOWNLOAD HERE](#)

electro organic soul therapy. 15 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, ELECTRONIC: Drum 'n Bass/Jungle Details: in an age where innovation is limited to genres of an already defined sound, thirty3rd strays from expectations of the normal with one soul purpose . . . raw creation. the foundation of thirty3rd's sound lies scattered on the outer edges of hip hop and electronic music. ahead of their time, thirty3rd strays from the normal, corporate, tainted sound of hip hop as well as the diluted underground, creating a solid foot print in music. with every ounce of past and present musical influence that may contribute along the way, each member shares similar visions of music and in the same moment, contrasting styles and techniques which underlie their main path. their wordplay reflects poetic, spoken word style, galactic yet planetary rhyming. electric plantlife is food for thought, electronic and yet organic. a pure original sound, blends of synths, samples, real lyricism, and a few blasts from the past. electro organic soul therapy
