Singer/songwriter Tom Spingler has been writing and recording songs for over 30 years. Northfield was

formed when he teamed up with engineer/producer Bob Both (of James Brown fame) and

producer/publisher Dan Maxcy to record some of his country influenced songs. After recording had begun

with Tom handling acoustic guitar and vocals, Bob Both on bass and Joe Vitello on drums, Dan

suggested that they form a band to perform the material at live shows. Bob Van Dyke, who had

performed and recorded with Tom and Bob Both in bands previously, was called on to handle keyboards

and vocals. Guitarist Kevin Kelley, a long time friend of Dan Maxcy's was added for lead guitar and

backing vocals. With the lineup complete, they recorded the four-song CD "Nashville In My Heart" to

release for the NJ Country Music Expo. "Nashville In My Heart" was chosen by the NJ country Music

Association as the Expo theme song. The band started playing shows in NJ and NYC. They recorded 5

more songs that were to be added to the Nashville CD to make a complete album. That album was not

released, but the songs are available as digital Downloads. Go to SOUNDCLICK in links to purchase

songs not available here. Also watch "Live concert" videos of the band at their MySpace link.
