Alternative versions of your favorite Christmas music. 12 MP3 Songs POP: British Pop, ROCK: Math Rock Details: This is Eden's Watchtower Records first attempt at a Christmas Compilation. We are very happy with it and hope you will be also. It is our artist's own unique takes on traditional Christmas music as well as an original Christmas song by Dulcesky "A Happy Christmas for a Sad Boy". If you are tired of the same old versions of your favorite Christmas songs this album may be just the ticket to breath new life into The Holiday Season for you. Eden's Watchtower related music is generally different from the current mainstream music trends. Often it is more mellow, melodic, and introspective, but at times it may also be more harsh and energized. Many of the Eden's Watchtower artists grew up listening to new wave, punk, electronica, and avant-garde rock. Thanks for your interest!
