

Path To The Soul - Ashok Bedi

Path to the Soul provides an important evolutionary leap in the rapidly evolving understanding of our psychological and spiritual essence. Drawing from Hindu and Christian spiritual wisdom, biological medicine, psychiatric technique, and over twenty-five years of clinical experience, Dr. Bedi has created a highly effective and integrated treatment approach to problems associated with both medical and psychiatric illness. He explains the Hindu concepts of maya, karma, and dharma, and builds a bridge between psychological dis-ease and our intrinsic hunger for spiritual union. Each symptom is seen as a crucial whisper from our soul, and if we understand its message, it can lead us to psychological balance. Dr. Bedi guides us through the process of Kundalini diagnosis, showing how the use of life events, medical or psychiatric symptoms, relationship strengths and problems, and life goals and aspirations can help us determine our dominant and auxiliary chakras. Since our chakras are focal points where physical, emotional, developmental, and spiritual forces intersect, they provide a paradigm that usefully links physical, psychological, developmental, and spiritual dimensions. He explains how he has successfully helped many patients correct imbalances by learning to access and strengthen this energy. Throughout this book there are numerous examples of how Dr. Bedi's patients have discovered what each individual eventually has to recognize; that our fulfillment, satisfaction, wholeness, and harmony can be reawakened when we touch the spark of divine light glowing within.
