With over 30 years of coaching experience, Michael Hebron helps readers to understand the difference between learning versus teaching environments and how the application of learning techniques can significantly enhance your ability to make progress with any sport including your game of golf. PGA Teacher of the Year and Master Professional, Michael Hebron, combines the nature of the golf swing and playing the game of golf with research into the nature of learning. Michael has been invited to talk about acts of learning and teaching at Yale University, MIT, on the Charlie Rose Show, and numerous school districts.
