

Stop Smoking With Hypnosis (mp3)

[DOWNLOAD HERE](#)

A complete hypnosis session to help you break your smoking habit. Brainwave entrainment guides you into a receptive state, while a hypnotist's voice delivers beneficial suggestions for positive imagery, motivation, and eliminating cigarettes from your life completely. Listen to this soundtrack in a quiet, comfortable place at least once a day for the first 21 days, and then as often as you like after that. This session can be used with AudioStrobe-compatible light-and-sound devices. Approximately half an hour long. Do not listen to brainwave entrainment while driving or operating machinery. Brainwave entrainment should not be used by pregnant women or people who are prone to seizures. Go to moodstreamsfor more samples and soundtracks.
