The Life and Times of Richard J. Hughes explores the influential public service of this two-term New Jersey governor, the only person in New Jersey history to serve as both governor and chief justice of the New Jersey Supreme Court. John B. Wefing's research includes interviews with prominent politicians and leaders who worked with Hughes at various points in his career. The result is a rich story of a public servant who possessed a true ability to work with members of both political parties and played a significant role in shaping modern New Jersey.
