

The Wrong Woman - Charles D. Stewart

Having made final inspection of the knots of her shoe-laces and the fastenings of her skirt, Janet turned toward her "perfectly horrid" oilcoat, which, as usual, had spent the night on the floor. As it would never come off till she had tortured her fingers on the edges of its big rusty buttons, she always parted from it on unpleasant terms, casting it from her; whereupon this masculine garment fell into the most absurd postures, sprawling about on her bedroom floor, or even sitting up, drunkenly, in the corner, "which latter it could easily do, being as stiff as it was yellow. This time it had caught by one arm on the back of a chair, and it came so near standing alone that it seemed to be on the point of getting along without the chair's assistance.
