Dear Reader Okay, so you are in the death throes of the latest and greatest "make money" scheme. You have spent enough money on "guaranteed" winners to finance a third world country. In fact you aren't

sure you are going to make this month's hosting payment! Logically, we know that joining (buying) every get rich quick plan that comes along is not a good idea. In fact buying these programs have driven people into the death throes of Internet marketing. You KNOW you shouldn't do it, but it's so hard to resist. The offer is very compelling. Before you know it you've convinced yourself that this is THE ONE. The one that will propel you over the top to financial independence. Is it time to jump off the merry-go-round? Are you ready to experience true success? How about having some "INcome instead of "outGO?" Can you imagine your inbox full of "payment received" notices? Can you see yourself viewed as an authority on your favorite forums? Just imagine living the lifestyle you desire. Maybe your secret desire has nothing to do with "things" but is motivated by helping others. It really doesn't matter. The only obstacle that separates you from the success you deserve is the "vehicle." Change the vehicle and you will definitely change the destination. If something is not working, do something different! Can it really be that simple? Yes it can. Ask yourself these three questions: 1. What if I showed you that you could easily build a huge list for free? 2. What if I told you that you can gain instant credibility? 3. What if I told you that you can make a big difference to you and your life? You can and we'd like to show you just how simple it is. Why Interviewing Experts Can Set Your Business On Fire When you interview an expert there are more benefits to you than just the knowledge and information that you can gain from the interview.
