

Money In Classical Antiquity - Sitta Von Reden

[DOWNLOAD HERE](#)

This 2010 book was the first to undertake a comprehensive analysis of the impact of money on the economy, society and culture of the Greek and Roman worlds. It uses new approaches in economic history to explore how money affected the economy in antiquity and demonstrates that the crucial factors in its increasing influence were state-formation, expanding political networks, metal supply and above all an increasing sophistication of credit and contractual law. Covering a wide range of monetary contexts within the Mediterranean over almost a thousand years (c.600 BCnAD 300), it demonstrates that money played different roles in different social and political circumstances. The book will prove an invaluable introduction to upper-level students of ancient money, while also offering perspectives for future research to the specialist. Author: Reden, Sitta von Publisher: Cambridge University Press Illustration: N Language: ENG Title: Money in Classical Antiquity Pages: 00260 (Encrypted PDF) On Sale: 2010-11-18 SKU-13/ISBN: 9780521453370 Category: History : Ancient - General
