"Poignant, self-deprecating and sometimes genuinely peculiar he's a large lyricist with a playful imagination." - Listen.com 11 MP3 Songs POP: Way-out FOLK: Power-folk Memories of Connecticut Songs Details: Produced by Rami Jaffee of the Wallflowers, the 11 song CD features performances by David Baerwald (David and David), Phil Cody, Michael Duff, Jaffee, Ben Peeler, Joey Peters (Grant Lee Buffalo) and Greg Richling (Wallflowers). "This is the most original wakeless I've heard in a long time and I don't say that lightly ... you need to give this cd a listen." - South of Mainstream "A kicking and bitter look at relationships and everything else soulful and poignant Fans of the dark and quirky will be appreciative listeners of this cd." - IndieMusic.com "Charming ... If shows the same kind of acerbic wit that Loudon Wainright does If's songs are humorous, a little zany, but generally entertaining." - Relix Magazine "Recalls the B-52's Best" - Big Shout / Good Times "[If's] record is wonderful from the beginning and continues to press on with each song ... [His voice is] a perfect match to express the quirky and vulnerable songs that he writes ... Fun start to finish ... Andy If has found his niche and communicates his feelings and thoughts directly" - The Music Paper
