A mixture of pop rock, modern rock blues with strong female male vocals with complimenting harmonies, guitar work keyboards-this is an album from the heart. 11 MP3 Songs EASY LISTENING: Soft Rock, POP: Today's Top 40 Details: In their debut album, AWAITING has infused their music with heartfelt melodies and whimsical lyrics. This five-peice band hails from the Washington DC area where these musicians have written, produced, and engineered this body of work in their own studio. The beautiful three and four part harmonies create a rich texture throughout the album, artfully enjoying upbeat rhythms in a celebration of life and friendship. The creative application of wind instruments and playful use of percussions and keyboards lends itself well to what is ultimately this labor of love and a tribute to lasting friendship.
