For you classic rock and progressive rock fans, Mike's voice may sound familiar-his voice has been compared with Greg Lake's voice (from Emerson, Lake and Palmer). A few years ago, Mike even worked as the frontman for TRILOGY, an ELP tribute band in N.E. Ohio. Now Mike is a Worship Leader, Singer/Songwriter, Guitarist, Bass Guitarist, Performer, and Recording Artist. He also played bass guitar for the Christian Pop/Rock band "IDENTITY" for most of the year 2004. Go to IDENTITY's web-site at IdentityRocksfor audio clips and a list of upcoming gigs. Mike is also one of the original members of G.I.R.A.V.A.F. (God's Independent Recording And Visual Artists Fellowship). GIRAVAF is a fellowship of Christian Artists that was founded by Terry and Diane McCabe. Check out McCABE's web-site at McCabeTunesfor more info on McCABE and GIRAVAF (including audio from Terry and Diane). More about BEARWOODS and Mike Baerwalde--a classically trained guitar player who loves to rock, Mike shares his love of the Lord and love of music in modern and relevant ways. His first single, "Find My Way Back Home" by HUGE BAER, received worldwide airplay in rotation on Soldiers Radio Network, and Mike was encouraged to continue writing and recording; thus, BEARWOODS was born. As he continually learns and teaches new music (from the latest praise and worship music, contemporary Christian music, and modern Christian rock, all the way back to classic hymns), he constantly sings and plays live in Worship Services. This encourages his personal spiritual and musical growth, while experience teaches him what really works to help usher people into the presence of God.
