PURE HIP HOP...VERSITLE..STRAIGHT FROM MY HEART AND SOUL... 15 MP3 Songs HIP HOP/RAP: Hip Hop, HIP HOP/RAP: East Coast Details: Bombchelle I know your thinking....Bombchelle must be a R&B artist and the only reason I say that is because I hear it so much, but the truth is I cant sing at all...I am a 23 year old HIP HOP artist, born and raised in Somerset, NJ. Screwface who has once produced for Michael Jackson from Universal records said, This is a sound I have never heard, and theres no doubt in my mind your going to blow up. I have independently distributed (including promotion and units sold) about 10,000 copies or more of my solo album Bomchelle, Blowin Up. I also dropped on a couple different mix tapes all over the country. I am getting ready to drop a mixtape called Time Is Tickin hosted by DJ Juanito from the one and only HOT 97. While doing that I am consistently doing shows, networking, radio interviews(spins) and working on a second album.....Its not easy being a single mother, manager, promoter, booking agent and rap artist all at the same time, so I recently joined taxito help shop my music. Im proud to say I graduated college for business management and decided to completely dedicate my life to music by becoming partners with the owner of the first recording studio I ever recorded at. Its becoming overwhelming and any support is appreciated. Music is my passion, I am driven and motivated beyond understanding to let my music be heard all over the world, hit the billboards years after years and inspire as many people as I can in the process. It would be impossible for it not to happen because III never stop doing what I love.....eventually I will be heard.....
