An Instrumental tour de force from this one man band. 5 MP3 Songs ROCK: Instrumental Rock, BLUES: Guitar Blues Details: Introducing: DAN COX!! ' Shadow in the Light'! Please have a listen to multi-instrumentalist Dan Cox. Ol' Dan has been playing guitar/keyboards/bass and drums since he was a lad in the sixties. Influenced by the greats(Clapton, Akkerman, Stevie Ray, Jeff Beck) the five instrumental songs represent what Dan is all about. "Wonderful! Whether you are listening to chill out or having a party, this CD is for anyone who simply loves music! Dan Cox is an accomplished talent to watch!" -Carmelo Pirrone, VP Sony Pictures Classics "I have tried to make each song as different as possible. There are Latin, Blues, Rock with a bit of strings and Tech influences. I grew up listenting to Jan Akkerman, Jeff Beck and Santana using nothing but their music to move you. I truly believe that instrumental song writing is music in its truest form. If you want to peer into someone's soul, listen to the music they make." "Who is Dan Cox? And where has he been hiding his musical talent? Dan has released a collection of music that will entertain, seduce and thrill music lovers of all ages." - Mickie Sullivan, Los Angeles Times Dan's goal is to have his music used in commercials, movies or the ever increasing porn genre. Have a listen and enjoy the music! Contact: dancoxrocks@aol.com
