

# Mp3 David M. Taylor - Far More

[DOWNLOAD HERE](#)

World-pop, art rock. A transparent but artistic handling of Christian truths 12 MP3 Songs EASY LISTENING: Soft Rock, WORLD: African Details: David M. Taylor is a producer, engineer and recording artist based in Zurich, Switzerland. 'Far More' is unusual debut album in its tuneful maturity and quality. David has created a unique and individual style around his distinctive voice. The undercurrents of the rhythm section reflect his African upbringing, the harmonies his classical and British background and the songs his originality. With catchy guitar riffs or vocal lines, wonderfully complemented by beautiful orchestral counter-melodies, and a flowing rhythm section, he opens a musical and emotional landscape which instantly captivates, yet still fascinates after even the most intensive listening. For more info about 'Far More' visit David's website. In 2003 David returned to the live stage and has performed publically 8 times including twice in on American regional television music shows and once in Nashville's famous Rockettown club.
