At Baba's Feet Songs Details: NEW ANCIENT MIRACLE ENERGY KIRTAN RECORDED in INDIA

Charge your soul! Feel the deep inner connection. Enliven your being! Feel the source of life surging through you. Invite the dynamic peace of KIRTAN: Community singing, sacred sound yoga, united devotion to the One God from whence we came. AT BABA'S FEET takes you on a kirtan journey where you can drink the nectar of the Divine and transform the fabric of your life. Through the ancient Sanskrit seed sounds and holy names, the energetic formula of each bhajan brings a unique angle of the Divine to cleanse and purify, uncover our natural abilities, and celebrate the deep healing that is available for all of us at this time. And why do we sit together at the feet of a master? The time has come to make huge leaps in human consciousness and with that leap, to heal heartbreak and suffering in the world. This Kirtan CD is sung with deep gratitude to our teacher Sri Sai Kaleshwar and his master Shirdi Sai Baba who modeled the path of the selfless miracle healer. Together with their Divine Lineage they guide and teach how that energy is available now to heal ourselves and others. ABOUT THE BHAJANS 1.

ABOUT THE BHAJAN CHOIR These singers are devotees of Sri Sai Kaleshwar. This recording was made at the Ashram, called the Shiva Sai Mandir in Penukonda, India. The tracks were recorded during the first year of Swami Kaleshwars Soul University. About 108 people from all over the world came to learn The Ancient Knowledge together for one year. This collection of bhajans reflects the music sung every night in the Shirdi Baba Temple. The lead singers were chosen by Swami and the bhajan choir contains some of the many devoted singers who also lead chants during those evenings at the feet of Baba.
