Imagine John Denver or Glenn Campbell on your front porch with a guitar singing you a few songs they wrote about God, family and love. 12 MP3 Songs GOSPEL: Country Gospel, COUNTRY: Bluegrass  
Details: Simply put, Greg McDougal has a story, a cause and a voice that you must hear! Three of his Four children are diagnosed with Cystic Fibrosis and so he has set out to raise the money needed to build a special allergen free house for his kids. His CD entitled 'The Work of a Carpenter', available at [ahouseformykidsand CD Baby.com](#), is the way this father of four is providing for the special circumstances of his family. Talk about a labor of love! ( Greg co-wrote ten of the twelve ) Songs about God, family and love. Interwoven in such a way that one is reminded of what life is really all about. This project is acoustic, honest and front porch as you can get. Listening to Greg's voice will remind you of John Denver and Glenn Campbell and the old country/gospel song book, yet fresh and contemporary. The songs are God given, the cause is noble and inspiring. The result?...an addition to your music selection that will stay on the top of the stack for a long time. You're gonna have to tell your friends and family about this one!
