

Mp3 Jeramzee (led By Jeremy Monteiro) - Faces & Places

[DOWNLOAD HERE](#)

Contemporary Jazz, Fusion, Jazz Funk 6 MP3 Songs JAZZ: Smooth Jazz, JAZZ: Jazz Fusion Details: Jeramzee is a band of Singaporean Musicians consisting of leader-keyboardists Jeremy Monteiro, drummer Tony Zee, saxophonist Stephen Rufus and bassist Eddie Jansen. This album was one of the highest selling contemporary jazz albums in South-East Asia when it was released in 1988 and is of high historical value. This album features guest musicians like flutist Herbie Mann, percussionist Paulinho Da Costa and guitarist O'Donel Levy. It was recorded in Singapore, New York (Nola Recording Studios) and Los Angeles (Devonshire Studios, by engineer Mike Mancini who also recorded albums by Whitney Houston Lionel Ritchie) and mastered by Brian Gardner at the famed Bernie Grundman Mastering studios in Los Angeles. The album is out of print and is only available on CD Baby and via Digital downloads. Please note that the CD is out of print and that the copies of the physical CDs of this album which are on sale on CDBaby are on CD-R and the artwork packaging is a color xerox copy. It is recommended that you purchase this album or songs via digital download and not order the CD.
